

IDEAL FOR

- Asbestos hazardous conditions
- Patrimonial building upgrade
- Retrofitting Pneumatic – Thermostatic systems
- No wires between Actuator and Room Sensor
- LP Steam - hot / chilled water – glycol
- Spartan Angle or Straight valve compatible
- Retrofit Honeywell – Danfoss and many other valves

Wireless Communicating
Actuator

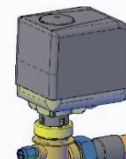

- No batteries
- 24Vac
- Proportional Control
- Loss of Signal Protection
- Standard Valve Mounting

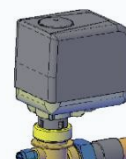

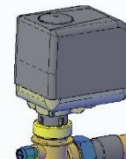

Wireless Communicating
Room Sensor

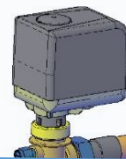

- No wires
- No batteries
- Daylight Energy Harvesting
